Dear Mr. Ziegler:

Re: Ziegler Gilsonite Mines, ACT/047/013, Uintah County, Utah

Enclosed is the the annual report form that must be completed and returned to the Division by March 31, 1987. This report details the mining and reclamation activities during 1986 and should include an updated map of the entire operation.

It has also come to my attention that we have still not received a response to the permit review letter of September 9, 1986. I suggest that the Ziegler Corporation make every effort to answer the Division's remaining concerns before February 20, 1987. Please contact Sue Linner, Permit Supervisor, if you have any questions.

Sincerely,

A handwritten signature in cursive script, reading "Lowell P. Braxton".
